Keyword Research Tools – Gain a Competitive Edge in the SERPs with Our Keyword Research Tool

Keyword research tools come in all shapes and sizes. But as they're currently constituted, most keyword research tools have a host of serious flaws that could be costing you money.

Traditional [keyword research](#) tools offer:

- **No relevant data** – The data and metrics you're getting from most keyword research tools are available to everyone, including other businesses vying for the same market. Where's the competitive advantage? Where's the relevancy to YOUR website?
- **No ability to act** – Most if not all [third party search marketing tools](#) spit out data and then it's

CHAPTER FIVE KEYWORD RESEARCH

DOWNLOAD PDF

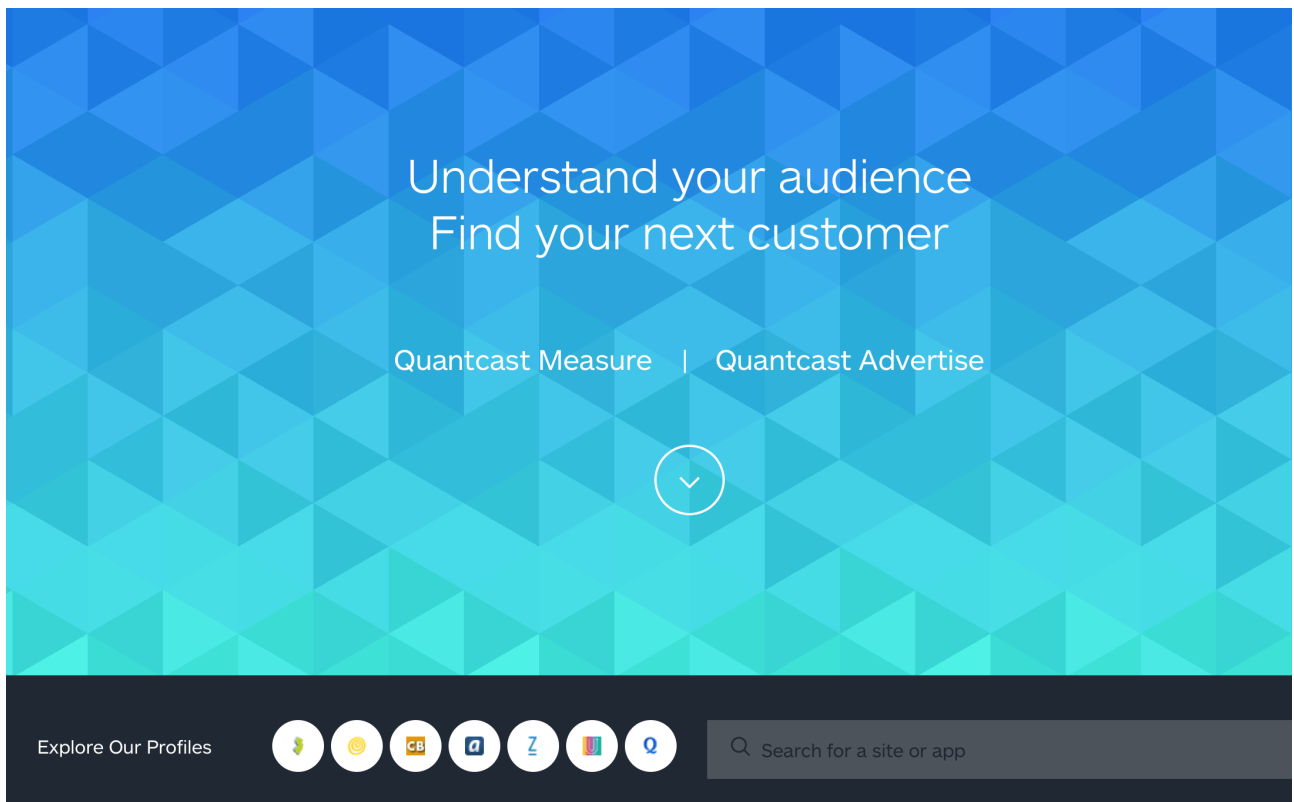

It all begins with words typed into a search box.

Keyword research is one of the most important, valuable, and high return activities in the search marketing field. Ranking for the right keywords can make or break your website. By researching your market's keyword

Moz.com is an authority when it comes to search engine optimization. Read their free guide to get started on keyword research.

7. Quantcast

<https://www.quantcast.com/>

Quantcast provides detailed analytics and insights of the demographics of a site.

8. Market Samurai

<http://www.marketsamurai.com/>

The banner for Market Samurai features a dark teal background. At the top left is the Market Samurai logo, which includes a stylized samurai helmet icon and the text "MARKET SAMURAI". Below the logo are five buttons: "Free Trial Download", "Full Version", "Dojo", "Support", and "Blog". The main text in the center reads: "Stop Struggling To Get Traffic the HARD WAY..." followed by "Download Your **FREE** Copy of Market Samurai and Laser-Target High-Traffic, High-Profit, Low-Competition Markets With Devastating Accuracy". At the bottom, there is a yellow box containing a video player on the left and a registration form on the right. The video player shows a thumbnail with the text "Keyword SEO Made Easy" and "4 GOLDEN RULES". The registration form has the heading "Enter Your Details to Receive:" and a checkbox labeled "Your registration details for Traffic-Hunting Software. 'Market Samurai'".

One of the most popular keyword research app out there.

9. SECockpit

<http://secockpit.com/>

The SECockpit banner has an orange background with a subtle grid pattern. On the left is the SECockpit logo, which consists of a magnifying glass icon and the text "secockpit". Below the logo is a navigation bar with the following links: "Home", "Take a Tour", "Customer Reviews", "Free Keyword Report", "Free Training", "Buy Now", and a partially visible "Log" link.
